Dear Parents/Guardians:

Before your child can be admitted to classes, certain immunization requirements with physician verification must be met. This is according to Public Health and New York State Education law. These immunizations must be in compliance with the Advisory Committee on Immunization Practices (ACIP). The requirements are as follows:

The child must have:

1. **Four (4) or more doses of diphtheria, pertussis, and tetanus (DTaP/DTP/DT/Td)**
2. **Four (4) or more doses of trivalent oral polio. (EIPV/OPV)**
3. **One [1] dose of live measles vaccine administered AFTER the age of twelve [12] months**
4. **Second dose live measles vaccine by age 7.**
5. **One [1] dose of live rubella vaccine (German measles) administered AFTER the age of twelve [12] months.**
6. **Second dose of live rubella by age 7.**
7. **One [1] dose of live mumps virus vaccine administered AFTER the age of twelve [12] months**
8. **Three [3] doses of Hepatitis B (required of all children born after January 1, 1993)**
9. **Two (2) doses Varicella (chickenpox) vaccine.**
10. **One (1) dose Tetanus, Diphtheria, Pertussis booster upon entering Grade 6.**

Please list dates of immunizations and dosages:
